Worcestershire Target 2020 Project

Funded by the European Regional Development Fund, the **Worcestershire Target 2020 project** and will support 200 Worcestershire based small and medium sized enterprises over the next three years.

The project offers support in terms of:

- Expert energy efficiency advice including onsite energy survey, analysis of historical energy use, advice report presented onsite and help creating an action plan.
- Partial grants to help fund the installation of energy saving measures. The grants are subject to eligibility criteria and range from £500 to £5,000 and will be a maximum of 35% of the install costs.

Grants can be used for anything that will result in sufficient carbon savings and is not restricted to lighting, insulation or heating equipment.

The project is managed by energy education charity Severn Wye Energy Agency.

The project started on July 1st 2016.
